

Important Medical Information

In the event of pandemic flu or other emergency, each family member should carry important information in case they need medical treatment. Fill out the following information for each family member. Check it every six months to make sure it is up-to-date. Cut out a card for each family member to carry.

Medical Information

Name:
Birth date:
Weight:
Drug allergies:
Medications:
If a minor, parent's name:
Parent's work #:
Parent's cell #:
